PinPoint Testing operates its own ISO 17025 accredited and CLIA certified laboratory. For over a decade the PinPoint lab has been led by a Ph.D. trained toxicologist that is supported by a team of industry proven consultants working in both forensic and clinical laboratories.

PinPoint is dedicated to helping labs achieve their full potential. We prioritize scientific integrity and data quality while maintaining cost-efficiency. Our consultants collaborate closely with your lab to establish robust methods that can be expanded and adapted as your needs evolve.

**CONTACT US TO DISCUSS YOUR NEXT PROJECT. CONVERSATIONS ARE FREE.**
